NATURAL FOOD

# SUPREME CAT FOOD

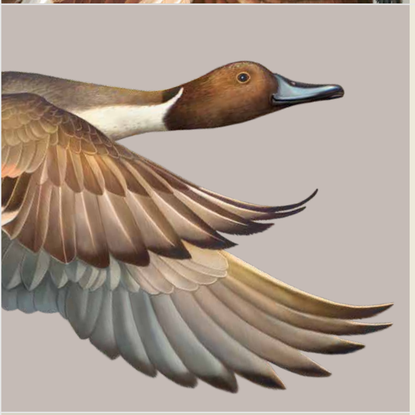

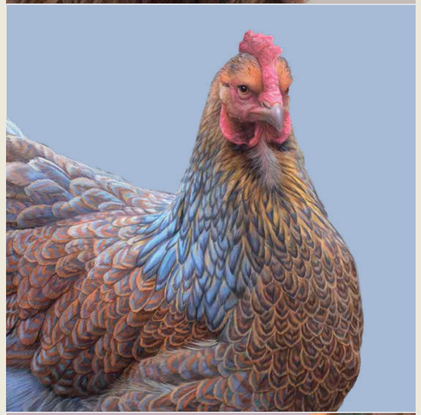

**THE FOUNDATION OF HEALTHY NUTRITION**

**Cat Fest — Where Nature's Instinct Meets Scientific Precision.**

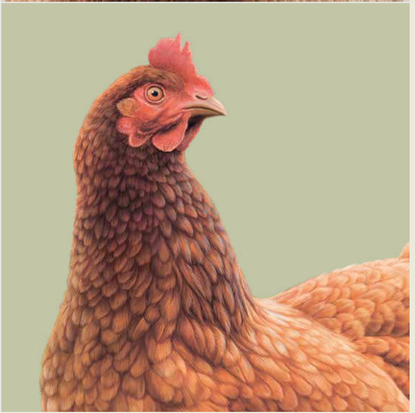

**At Cat Fest, we believe a cat's vitality starts with what is in their bowl. That is why we have bridged the gap between raw, natural cravings and scientifically formulated nutrition. Our range is anchored in high-animal protein, ensuring your cat receives the biologically appropriate diet they deserve.**

**Every recipe is crafted with a meticulous balance of essential vitamins, minerals, and amino acids to support lean muscle, a healthy heart, and a vibrant immune system. Whether it is our tender, succulent wet selection or our perfectly crafted complete dry food, Cat Fest provides the fuel for a stronger, healthier, and happier life.**

FARM FRESH

# Cat Fest

NATURAL FOOD

# WHAT MAKES OUR FOOD SPECIAL

**THE FOUNDATION OF HEALTHY NUTRITION**

# SPIRULINA

## IN ALL RECIPES FOR ADULT CATS

**Spirulina is a nutrient-rich superfood, often referred to as blue-green algae. Naturally packed with high-quality protein, vitamins, and essential micronutrients, it is considered one of the most powerful natural ingredients for supporting overall wellbeing.**

Supports a strong immune system.

Helps cleanse the body of toxins and excess fats.

Promotes healthy metabolism.

Supports the balance of beneficial gut microflora.

Helps maintain healthy cholesterol levels.

Supports healthy blood sugar levels.

Helps regulate appetite.

Beneficial for eye health and vision.

A powerful natural antioxidant.

Helps support healthy blood pressure.

May help reduce allergic sensitivities.

**THE FOUNDATION OF HEALTHY NUTRITION**

# ANCHOVIES

## HIGH CONTENT IN ALL RECIPES (8–12 %)

Rich in Omega-3, 6, and 9 fatty acids.

Contains essential niacin (vitamin B3).

High content of quality protein.

A broad spectrum of essential amino acids.

Very high levels of vitamins, micro- and macroelements.

A strong natural aroma for excellent palatability.

Supports the prevention of cardiovascular diseases.

Promotes excellent condition of skin and coat.

Supports the development and maintenance of healthy teeth, bones, and joints.

Supports eye health and helps prevent cataract development.

Helps maintain a healthy body weight.

Slows down the ageing process.

**THE FOUNDATION OF HEALTHY NUTRITION**

# CRANBERRY

## A NATURAL ANTIBIOTIC FOR THE HEALTH OF CATS OF ALL AGES

High in beneficial antioxidants and vitamin C.

Contains acids with effects similar to antibiotics.

In addition to potassium, it contains magnesium, iron, manganese, phosphorus, and a wide range of other trace elements.

Rich in B-group vitamins.

Contains compounds that inhibit the production of acids responsible for the formation of dental plaque.

Prevents bacteria from adhering to the walls of the bladder, protecting it from the development of infections.

Provides antimicrobial and anti-inflammatory action.

Supports the strengthening of the immune system.

Has a beneficial effect on the cardiovascular and nervous systems, improves metabolic processes, and helps slow down ageing.

Helps combat bacteria in the oral cavity and prevents the formation of dental plaque.

**THE FOUNDATION OF HEALTHY NUTRITION**

# FISH OIL

## BALANCED OMEGA-3 & OMEGA-6 FOR DAILY WELLBEING

A rich source of unsaturated fatty acids.

Contains calcium and phosphorus.

High in vitamins E and H.

Contains niacin and vitamin PP.

Supports strong, healthy bones and helps maintain the body’s acid–base balance.

Restores appetite, strengthens muscles, and supports the reproductive system.

Promotes the formation of healthy skin lipids, helping reduce the risk of dryness and supporting a bright, glossy coat.

**THE FOUNDATION OF HEALTHY NUTRITION**

FARM FRESH

# Cat Fest

NATURAL FOOD

# WET FOOD

Our wet foods are packed with high-quality, real meat in a tender, savory jelly. Every recipe is enriched with Taurine and Vitamin E to provide a tasty, nourishing meal that cats naturally crave. Simple, honest, and full of flavor.

OUR EXCLUSIVE RANGE MADE WITH

# SALMON

- SUPPORTS HEART HEALTH AND HEALTHY CIRCULATION
- ENHANCES BRAIN FUNCTION AND COGNITIVE HEALTH
- EXCEPTIONALLY TENDER, WITH AN IRRESISTIBLE FLAVOR

This noble fish is naturally rich in omega-3 fatty acids, which play a key role in supporting heart health, brain function, and a shiny, healthy coat. In addition to it's essential fats, salmon is also an excellent source of high-quality protein, making it a highly nutritious and easily digestible choice for your cat's daily diet.

OUR EXCLUSIVE RANGE MADE WITH

# CHICKEN

- HELPS BUILD LEAN MUSCLE AND STRENGTHEN BONES
- SUPPORTS HEART HEALTH AND HEALTHY VISION
- OMEGA-6 FATTY ACIDS PROMOTE HEALTHY SKIN AND COAT

Chicken is a highly digestible source of protein, naturally rich in essential amino acids such as lysine, phenylalanine, arginine, and taurine. The tender breast meat delivers irresistible flavor alongside real nutritional benefits, making it a perfect choice for everyday feeding. For added variety and enhanced taste, explore our selection of gourmet toppings.

OUR EXCLUSIVE RANGE MADE WITH

# COD

- SUPPORTS JOINT WELLNESS AND WEIGHT MANAGEMENT
- CONTRIBUTES TO EYE HEALTH AND URINARY TRACT WELLNESS
- EASILY DIGESTIBLE, WITH A DELICATE FLAVOR

This dietary fish is a natural source of omega-3 fatty acids and vitamin D – essential for supporting strong bones and joints,maintaining visual health, and promoting a balanced metabolism. Cod, renowned for it's tender white meat, is also an excellent source of easily digestible protein, making it a perfectly balanced and nourishing choice for your cat's daily diet.

OUR EXCLUSIVE RANGE MADE WITH

# TUNA

- SUPPORTS HEART AND CARDIOVASCULAR HEALTH
- HIGH-QUALITY PROTEIN IDEAL FOR WEIGHT MANAGEMENT
- NATURALLY SUPPORTS IMMUNE SYSTEM HEALTH

Tuna is naturally rich in omega-3 essential fatty acids, whichsupport healthy skin and a glossy coat while also offering anti-inflammatory benefits. It's low carbohydrate content makes it an excellent choice for weight control and reducing health risks linked to excess weight. With its irresistible aroma and flavor, it's a favorite even among the fussiest felines.

OUR EXCLUSIVE RANGE MADE WITH

# DUCK

- A LOW-ALLERGEN PROTEIN FOR OVERALL WELL-BEING
- AN EXCELLENT SOURCE OF IRON AND HIGH-QUALITY PROTEIN
- NATURALLY RICH IN ESSENTIAL VITAMINS

Tender duck meat is considered a novel protein for cats – one they are less likely to develop sensitivities to. This makes it an ideal choice for cats with sensitive stomachs, as well as those prone to common dietary sensitivities. Nutritious, easily digestible, and packed with flavor, duck is both a wholesome and delicious option for your feline companion.

OUR EXCLUSIVE RANGE MADE FOR

# KITTENS

- SUPPORTS BRAIN AND MUSCLE DEVELOPMENT
- PACKED WITH ESSENTIAL VITAMINS FOR HEALTHY GROWTH
- NATURALLY RICH IN AMINO ACIDS AND MINERALS

Our kitten food offers a tender, irresistible recipe, carefully formulated with the vital nutrients growing cats need. Enriched with amino acids, minerals, and essential vitamins, it helps support strong body and brain development from the very start. With a variety of delicious flavors to choose from, your young companion is sure to enjoy this wholesome, nourishing option.
